

BAYFIELD ELECTRIC PARTICIPATES IN NEWSPAPER IN EDUCATION WEEK

Bayfield Electric Cooperative practiced the seventh cooperative principle, Concern for Community, by sponsoring a student-designed ad in the *Daily Globe's* student writing and advertising design contest. The contest was held in celebration of Newspaper in Education Week, March 6–10.

Participating schools were Bessemer, Hurley, Ironwood, Mercer, Wakefield-Marenisco, and Watersmeet. Students were invited to complete a writing assignment or design an ad. Teachers forwarded the best entrants from their class to the newspaper, where *Daily Globe* staff judged the finalists. The newspaper received 283 Design an Ad entries and 98 writing entries.

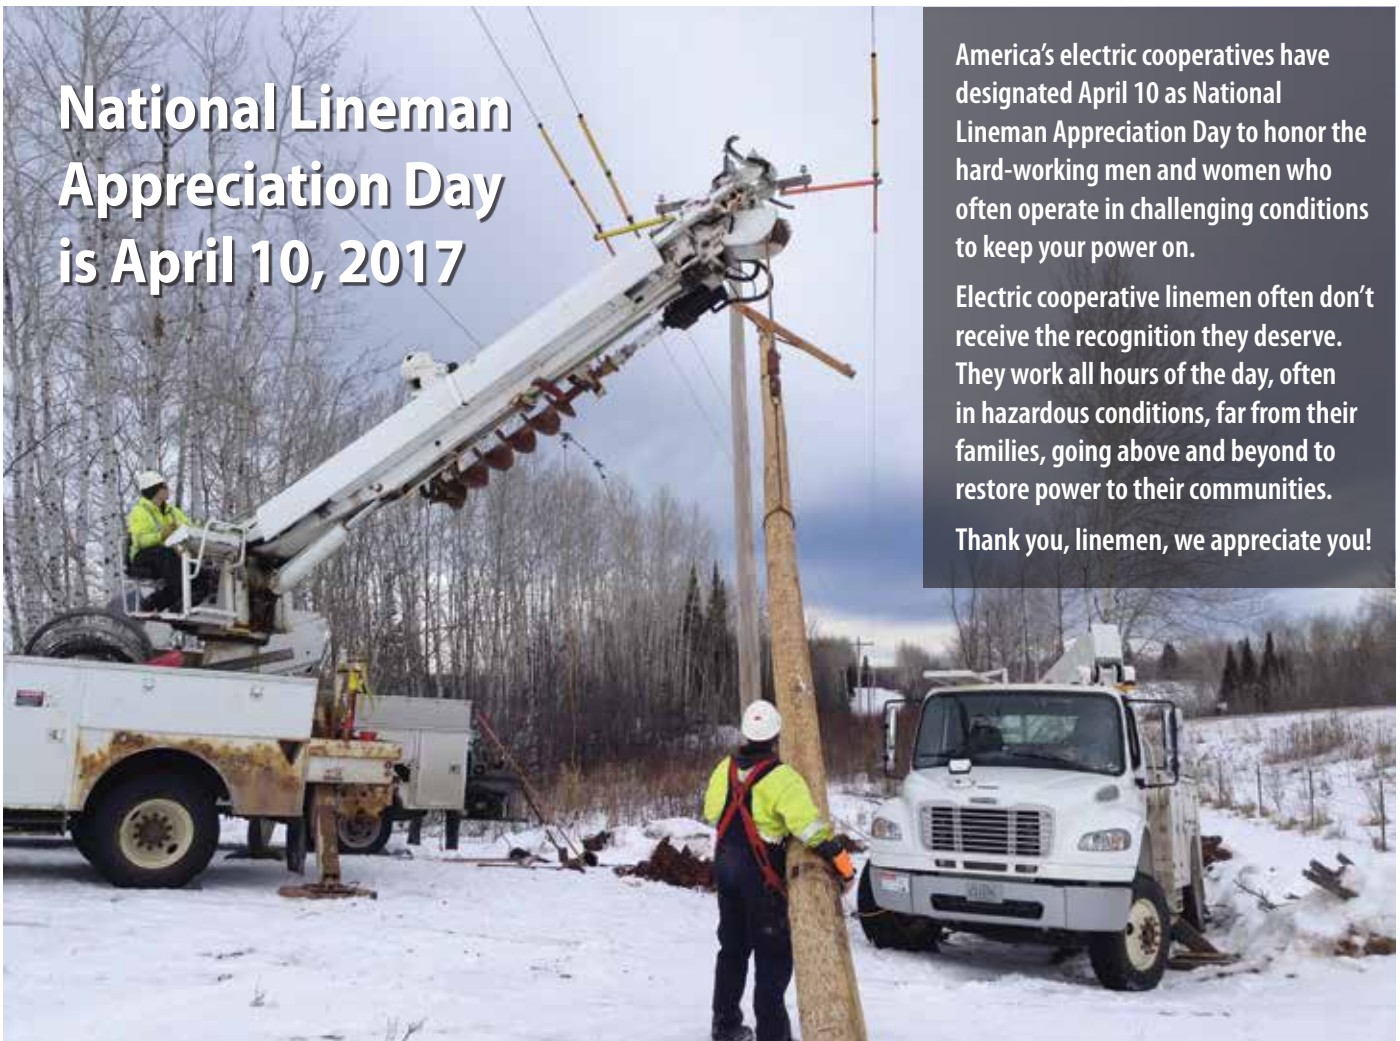

Lucas Smith, a fourth-grader at Ironwood Area School, designed the ad for Bayfield Electric (pictured at right). We thank Lucas for his fine work, and congratulate all participating students.

BAYFIELD ELECTRIC PUBLIC BENEFITS

Ashland County Housing Authority is the administrator for Bayfield Electric's "Commitment to Community Program." A yearly payment is applied to a Bayfield Electric member's electric account if the member has qualified for the Energy Assistance Program (WHEAP). To qualify for energy assistance, contact your local Department of Human Services. For more information on this program, please contact Tina at 1-800-274-8311.

National Lineman Appreciation Day is April 10, 2017

America's electric cooperatives have designated April 10 as National Lineman Appreciation Day to honor the hard-working men and women who often operate in challenging conditions to keep your power on.

Electric cooperative linemen often don't receive the recognition they deserve. They work all hours of the day, often in hazardous conditions, far from their families, going above and beyond to restore power to their communities.

Thank you, linemen, we appreciate you!

PHONE NUMBERS VITAL TO RELIABLE ELECTRIC SERVICE

As people utilize their cell phones more and eliminate their land lines, at BEC, we find that we no longer have valid phone numbers on record. Therefore, we are not able to contact our members in order to give the important information about their electric service or about scheduled maintenance outages.

We urge members to contact us with updated phone numbers in order for us to serve you better. You can submit your telephone number through our website or via email at ebill@bayfieldelectric.com, through SmartHub, or call our office at 715-372-4287.

We only use this information to contact our members with information related to electric service. We value your privacy, and do not use or sell this information for any other purposes. Our goal is to continue to provide you with safe and reliable electric service.
