

BEC EMPLOYEE PARTICIPATES IN NORTHERN PINES DOG SLED RACE

The Iron River community was excited to host the Second Annual Northern Pines Sled Dog Race in February, and Jennifer from the BEC billing department was part of the action!

The race started and finished at the beautiful Northern Pines Golf Course and Event Center. Situated in the Bayfield County Forest, the sprint race was an exhilarated downhill run through the golf course entering the Bayfield County Trail system and the Tri-County Corridor. Spectators experienced the excitement of the race from vantage points on event center grounds and along the trail route. Free family-friendly events were hosted in the event center with opportunities to meet the mushers and some beautiful rescue dogs. The event was a huge success, and everyone is already looking forward to next years! *Photos courtesy of JoAnn Jardine with Studio One Photography.*

Bib 301 is Simone Webinger, who placed second in the 5.3 mile, Four-Dog Race. Bib 203 is Scott Edgette, and he placed third in the 27.3 mile race.

NATIONAL LINEWORKER APPRECIATION DAY

National Lineworker Appreciation Day is celebrated on **April 13** this year. This is a day to express our appreciation to the men who work so hard for us every day. They work all hours of the day, often in dangerous conditions away from their families, going above and beyond to restore power to our members. While we appreciate our lineworkers every day, we commemorate every April to give our lineworkers the recognition they deserve. Bayfield Electric invites our members to take a moment to thank a lineworker for the work they do. If you use electricity, a lineworker has had an impact on your life.

When the lights go out, so do they.

SAFETY MESSAGE

As spring approaches we all seem to get a little bit of cabin fever. Be aware of slippery surfaces. With (hopefully) warmer temperatures, we become less cautious of slipping. However, puddles in garages or entryways can be just as dangerous as ice patches. Think about investing in a non-slip mat and replacing any burnt-out light bulbs in these areas. No one wants to end up with a broken leg and a few more months of being cooped up!

MONTH OF APRIL

Billing date: April 9, 2020
March usage
Bills due upon receipt
Gross due after April 29, 2020
Disconnect date: April 14

Energy Efficiency Tip of the Month

This spring, consider using a rain barrel to save energy. Rain barrels capture rainwater from a roof that can be used later for watering your lawn, garden, or indoor plants.
