Wisconsin Administrative Code

Public Service Commission:

PSC 114.003 Authority and statutory references.

(2) COMPLIANCE WITH ELECTRIC CODE.

(a) A utility must obtain proof of compliance with Volumes 1 and 2 of the Wisconsin State Electrical Code before energizing service. Proof of such compliance shall consist of a certificate furnished by a municipal or other recognized inspection department or officer, or if there is no such inspection department or officer it shall consist of a written statement furnished by the contractor or other person doing the wiring, indicating that there has been such compliance.

(b) A utility shall comply with Volume 1, Wisconsin State Electrical Code when providing electric service.

Wisconsin State Statute

101.875 Inspections.

(1) All inspections of electrical wiring shall be performed by inspectors certified by the department.

(2) Any rule promulgated under s. 101.82 (2m) may not require the inspection of any of the installation, repair, or maintenance of electrical wiring within an existing industrial facility or an existing manufacturing facility unless the plan for the installation, repair, or maintenance is required to be examined under s. 101.12 (2) by the department or by a municipality that has its examinations accepted by the department under s. 101.12 (3) (a), (am), or (b).

101.88 Compliance and penalties.

(1) Every person installing, repairing, or maintaining electrical wiring shall use materials, methods, and equipment that are in conformance with the rules promulgated by the department under this subchapter.

(3) Any person who violates this subchapter or any rule promulgated under this subchapter shall forfeit to the state not less than \$25 nor more than \$500 for each violation. Each day of violation constitutes a separate offense.
